

ERA ENVIRO SOLUTIONS

ABOUT US

❑ ERA ENVIRO SOLUTIONS is an ISO 9001:2015, Certified leading Turnkey Solution providing company based in India, offers customized solutions as Design, Manufacture, Supply, Installation & Commissioning in the field of Environmental Engineering, Energy, Material handling and Mechanical, Electrical & Instrumentation Projects.

❑ ERA ENVIRO SOLUTIONS has accomplished complex engineering, procurement and construction (EPC) projects for clients in challenging locations across the globe. Offering a full spectrum of EPC services, the organization is one of the most diversified contractors in the industry.

- ❑ Areas where EES is involved are
 - Project Engineering & Management
 - Basic & Detail Engineering
 - Designing & Manufacturing
 - Supply, Erection & Commissioning
 - Operation & Maintenance

COMPANY PROFILE

We Are Your Partner In Every Project Phase.

Project Development:

- Treatability & Feasibility Study
- Waste Management
- Lab & Pilot Studies

Operation & Maintenance:

- Operation & Maintenance
- Troubleshooting
- De - bottlenecking
- Recovery

Project Execution:

- Turnkey solutions
- EPC projects
- Equipment Supply
- Project Management
- Procurement Assistance
- Inspection
- Supervision

Design & Engineering:

- Process Design
- Basic Design
- Design Review
- Detailed Engineering

We Are Your Partner In Environment & Safety Services

Environment Services

- CTE - CTO
- Monthly Patrak
- Hazardous waste monthly & yearly return
- Environmental Statement Form – V & Annual Return Form – VI
- Water & Waste Water Treatment
- APCM Equipment etc.

Safety Services

- Safety Audit
- Safety Report
- Hazop Analysis
- Disaster Management Plan
- Onsite & Offsite Emergency Plant
- Industrial Hygiene Services

WASTE WATER TREATMENT

Design, Manufacturing & Supply/ Engineering / Erection & Commissioning / Performance Evaluation/ Consulting

Wastewater Treatment :

- Sewage Treatment Plant (MBBR, MBR, SBR, FBR)
- Effluent Treatment Plants (ETP)
- Multiple Effect Evaporator (MEE)
- Zero Liquid Discharge (ZLD)
- Anaerobic Digester

WATER TREATMENT

Design, Manufacturing & Supply/ Engineering / Erection & Commissioning / Performance Evaluation/ Consulting

Water Treatment Plant:

- Screens, Agitators
- Clarifier / Clariflocculator / Thickener
- Lamella Clarifier
- Reaction Clarifier
- Diffuse Aeration
- Dissolved Air Flotation (DAF)
- Oil Skimmers

WATER TREATMENT

Wastewater Treatment:

- Water Treatment Plants (WTP)
- Water Filtration Plants (WFP)
- Ultra Filtration System (UF)
- Reverse Osmosis System (RO)
- Softeners , DM Plant
- Pressure Sand Filter (PSF) / Dual Media Filter (DMF) /
Activated Carbon Filter (ACF)

APCM EQUIPMENT

Air Pollution Equipment :

- Air Scrubbers
- Water Scrubbers
- Bag Filters
- Cyclone & Multicyclone
- Ventilation system
- Fume Extraction System

KEY TEAM

13+ persons are working in Gujarat region having Individual whose knowledge, creativity, inspiration, reputation, and skills are critical to the viability or growth of an organization.

ACCREDITATION

Era Enviro Solution is an ISO 9001:2015

Our Installation

MANUFACTURING FACILITY

Particular	Capacity
Work Shop area for Fabrication & Storage facility	5000 Sq. Ft.
Structural Shed	Standard
EOT Crane	10 MT & 15 MT
Welding Machine	Gas Welding
Plate Bending Machine	Upto 50mm
Arc Welding Rectifier	600 Amps. Inverter based
Gas Cutting Set with Regulators	Up to 15 mm
Pillar Type Drill Machine	Up to 25 mm dia in 25 Thk Plate
Electric Power Hacksaw Machine	Cut up to 8" dia
Electric Power Supply, MCC Panel & Electrification	With Power distribution Load
Testing Facility	DPT, DFT, Hydro Pressure etc
